**ORDER REGARDING APPLICATION FOR
REHEARING AND MOTION FOR RECONSIDERATION**

Issue Date: August 3, 2016

Effective Date: August 3, 2016

On June 1, 2016¹, Kansas City Power & Light Company (KCP&L) filed tariff sheets to modify its Demand Side Investment Mechanism ("DSIM"). The Commission rejected those tariff sheets on July 20 and ordered KCP&L to file a tariff that complied with the order.

KCP&L filed an application for rehearing and/or motion for reconsideration on July 22. The Office of the Public Counsel objected to those motions on July 25.

The Commission shall grant an application for rehearing if "in its judgment sufficient reason therefor be made to appear."² Further, "(m)otions for reconsideration of procedural and interlocutory orders shall set forth specifically the ground(s) on which the applicant considers the order to be unlawful, unjust, or unreasonable."³ The Commission finds that

² Section 386.500.1 RSMo Supp. 2013.

³ Commission Rule 4 CSR 240-2.160(2)

the applicant failed to establish a sufficient reason for rehearing and for reconsideration.

Thus, the Commission will deny those motions.

THE COMMISSION ORDERS THAT:

1. The Application for Rehearing and/or Motion for Reconsideration filed by Kansas City Power & Light Company is denied.

2. This order shall be effective when issued.
